The Boot on the Other Leg. Why was the Senate so eager to drop the twenty-second rule? This was the controlled by the Radical party, for Democratic House was elected; now for reasons satisfactory to itself. This our great staples of cotten and tobacco. Senate dropped its own measure like a mourn his irreparable loss.

The Rev. J. W. Hanner Sr.

A very large congregation assembled at the Methodist Church last Sunday stepped into what he supposed was a evening, to hear a sermon from this gsutleman, it being his first appearance in the pulpit here for a long time. His subject was the parable of the Proditreated the subject mainly in reference to the elder son, who objected to the restoration of the Prodigal, and therein typified the heartless self-righteous Pharisees who had been reproaching the Savior for admitting publicans and sinuers to his society for the purpose of bringing them to repentance.

The sermon was a very able one and unusually eloquent even for Mr. Hanfeeling and earnestness which deeply impressed the large congregation who heard it.

Southern Debts.

There is good reason to believe that the movement now on foot to reduce the debts of several Southern States, will be successful, and that those Commonwealths will once more be able to start on a career of progress and prosperity. Referring to this subject, the St. Louis Republican has the follow- which I will pay the highest market

We heartily hope that all these

Southern debts may be adjusted satis-

factorily to the bondholders and the ople of the indebted States, and that the bondholders will offer such terms people of the indebted States can afford to necept. There is one fact not to be lost sight of in the negotiation, since it has an important bearing on the equities involved, and that is the partial responsibility of the bondholdrs themselves for these fraudulent debts. It was the financial agents of South Carolina and Georgia who did Well it is all right, if he had known as much as the Radical Governors, which the people have since discovered; and it was from these financial agents that the present bondholders procured the bonds they are so anxous, now, to have adjusted. When the State of Georgia came into the hands of its people about \$8,000,000 of can afford to buy a new Wagon. They mainder of the debt was acknowleded. and the bonds representing the acknewledged debt are now quoted above par, the 6 per cents at 95, and the 7 per real credit of Georgia stands well on the Stock Exchange, even while the The Sam Rexinger residence on Colfraudulent obligations contracted by been virtually repudiated.
